RECOMMENDATIONS FOR SECTIONS NOT FOUND

- Academic Integrity Statement:
→ Include Penn State's academic integrity policy and consequences for violations like plagiarism.
- Counseling Services:
→ Provide information about campus counseling and psychological services (CAPS) for student mental health.
- Disability Resources:
→ Information on procedures related to academic adjustments identified by Student Disability Resource Center.
- Educational Equity Statement:
→ Provide information related to reporting educational bias through the report bias site.

- Campus Closure Policy:
 - Explain procedures for class cancellations due to weather, emergencies, or other campus closures.

Flesch Reading Ease (FRE):

→ This test measures how easy your syllabus is to read. Higher scores mean simpler, more approachable.

✓ Comfortable for college readers (No penalty)

What you did well:

- The tone and structure are balanced for most college students.
- Important information like grading or due dates is likely placed in accessible sections.
- The syllabus reads naturally, without being too casual or too formal.

What you could improve on:

- Keep paragraphs short and focused on one idea at a time.
- Use consistent headers and bullets to help students locate policies or deadlines faster.

Flesch–Kincaid Grade Level (FK):

→ This test converts your text's difficulty into a U.S. school grade level. A higher number means a more difficult text.

✓ Matches course expectations (No penalty)

What you did well:

- The tone balances professionalism with accessibility.
- Sentences likely contain enough detail to clarify expectations without overcomplicating them.

What you could improve on:

- Keep directions action-oriented (e.g., "Submit by Friday" instead of "Submissions should be made by Friday").
- Limit multi-clause sentences and maintain consistent tense throughout.

Gunning Fog Index (FOG):

→ This test estimates how many years of education a reader needs to understand the text. Higher scores mean more years of education.

✓ On target for your course (No penalty)

What you did well:

- The syllabus is appropriately detailed without being overly wordy.
- Complex information is likely presented in clear, digestible segments.

What you could improve on:

- Continue balancing academic vocabulary with plain explanations.
- Use bullet lists, tables, or spacing to visually separate dense information.
